BRAMBLE & BASALT GARDEN CO.

Grand Valley planting calendar

For Grand Junction, Fruita and Palisade, around 4,600 feet.

Month	Plant	Water	Yard care
March	Start tomatoes & peppers indoors	Water evergreens on warm days	Prune fruit trees
April	Trees, shrubs, cool-season veggies	Sprinkler start-up mid-month	Spring cleanup, first mow
May	Perennials, natives, warm veggies after the 10th	Deep soak twice a week	Fertilize lawns
June–July	Hold off on new plantings in the heat	Water before 8 am	Raise the mower to 3 inches
August	Order fall bulbs	Watch for dry spots	Plan fall projects
September	Best month for trees, shrubs & natives	Taper to once a week	Aerate & overseed
October	Bulbs, garlic, wildflower seed	Blow out sprinklers late month	Leaf cleanup
Nov–Feb	Rest	Water evergreens monthly if dry	Snow removal, plan next year

Average last frost: early May. Average first frost: mid-October. Questions? Call (970) 555-0142.
